

2021 UNIVERSITY OF WINNIPEG CHANCELLOR'S RESEARCH CHAIR

Tenured or tenure-track faculty members who are within 10 years of their terminal degree, or within 5 years of receiving tenure are invited to submit proposals for the University of Winnipeg's eleventh Chancellor's Research Chair.

Candidates for the Chancellor's Research Chair must be emerging scholars, and should, at a minimum, be assistant or associate professors.

MANDATE

The award of a Chancellor's Research Chair is intended to encourage and sustain high levels of scholarly activity by faculty and to retain high quality faculty who have made, and will continue to make, exceptional contributions to research in their field.

ELIGIBILITY

The candidates should be excellent emerging researchers who:

- Have demonstrated particular research creativity;
- Have demonstrated the potential to achieve international recognition in their fields in the next five to ten years;
- Have the potential to attract, develop and retain excellent trainees, students and future researchers; and
- Are proposing an original, innovative research program of high quality.

TERM

The Chair will typically be awarded annually to an internal candidate for a non-renewable term of three years. This year's Chancellor's Research Chair will be awarded for September 1, 2021 and will remain in place until August 31, 2024.

AWARD

The successful applicant will be awarded a research grant of \$7,500 per annum.

APPLICATION

All interested faculty are invited to submit a two-page proposal outlining the research project to be undertaken or continued and a CV. Applications will be evaluated by the Vice-President, Academic and Vice-President, Research and Innovation, in consultation with the Deans. A recommendation for appointment will be made to the President, who will announce the result of the search process by May 1, 2021.

*The deadline for proposals is **Monday, March 15, 2021**.*

Please submit proposals to the attention of the Vice-President, Academic and the Vice-President, Research and Innovation at researchoffice@uwinnipeg.ca.
