INTRODUCTION

Urban and Inner-City Studies is an interdisciplinary Major that examines the city as a dynamic environment. The program combines a traditional urban studies focus with courses that examine various aspects of the inner city, such as the urban Indigenous experience, the immigrant and refugee experience, urban poverty, the housing problem, and the role of women. In Canada, cities continue to be centres of great challenges: from managing suburban growth, to promoting inner-city revitalization; from responding to the opportunities and challenges created by rapidly changing demographics to those created by globalization and socio-economic change. Cities are also home to increased concentrations of poverty, racism, and social and political exclusion. The Department of Urban and Inner-City Studies provides an opportunity to examine the political, economic, social and spatial context of these and many other important aspects of urban change from an interdisciplinary perspective.

The Department of Urban and Inner-City Studies is located on Selkirk Avenue, in Winnipeg's historic North End. Most classes are offered at 541 Selkirk Avenue, in Merchants Corner. We offer an innovative and intellectually exciting curriculum in a dynamic setting. This is university education, with a difference!

RED RIVER COLLEGE

The Department of Urban and Inner-City Studies welcomes students from the Community Development/Community Economic Development Program at Red River College. The University of Winnipeg will grant a total of 30 credit hours in block transfer credits to Red River College students who have completed the 2-year Diploma program in CD/CED. For students who have completed 1 year and have received their Certificate in CD/CED, the University will transfer 9 block credit hours. Further details regarding the transfer of credits and course requirements are available from the Department Chair or the Academic Advisor/Program Coordinator of UIC.

CERTIFICATE PROGRAMS

The Certificate Program in Urban and Inner-City Studies, and the Certificate Program in Community Advocacy, are 30-credit-hour programs, designed especially but not only for part-time students. Awarded annually by the Department of Urban and Inner-City Studies, the Certificates will indicate a pre-degree designation. Since the courses required for each of these two Certificates are also part of the degree program, they can be used towards a 3-year, 4-year or Honours BA, if the student chooses to continue his/her studies.

Please Note: Most of the Urban and Inner-City Studies course offerings will be taught at the North End Campus at 541 Selkirk Avenue.

The following is an example of a possible degree program. Students are strongly encouraged to see a UIC program academic advisor when planning their individual programs. A liberal arts education is a well-rounded education that promotes a broad understanding of the world while developing communication and critical thinking skills which are applicable to many different career paths. Given the range of options available, no two students will graduate with the same selection of courses.
