There will be no retroactive transcript assessments processed after the application process has started; this will also apply to students previously assessed. Students must meet both Residency and Degree Requirements to graduate from the University of Winnipeg. For Information on Residency and Degree Requirements review the Degree & Major Requirements of the Academic Calendar: <http://www.uwinnipeg.ca/academics/calendar/index.html>
Any courses older than 5 years from the date of application will not be eligible for transfer credit into the University of Winnipeg.

PLEASE NOTE: As of March 11, 2020 that the following THREE RRC courses have not yet been assessed for transfer credit: MATH-3001, OFCM- 3000, and ADMIN-3002.
