Top Schools

Collegiate graduates have been proudly accepted at top schools across Canada and beyond such as University of Toronto, McGill, McMaster, Harvard, Princeton, MIT, Julliard, Cambridge, and Oxford.

\$500

Tuition credit for students who apply by March 31

Regular High School Program

UWC offers outstanding university preparation for high school students in Grade 9, 10, 11, and 12.

University Foundation Program

International students who have completed their studies in their home country but do not meet university entrance requirements, can complete the University Foundation Program. Students who successfully complete the University Foundation Program will earn a Manitoba high school diploma and will be eligible to apply to any university/college of their choice.

UWinnipeg Pre-University Pathway Program (UW-PUPP)

This program is intended for academically strong students who do not currently meet university undergraduate entrance requirements. The program connects high achieving students from around the world to obtain their Canadian Secondary credentials in an environment with an established tradition of academic excellence. Upon successful completion of the UWinnipeg Pre-University Pathway Program, students earn a Manitoba High School Diploma and are eligible to begin their undergraduate degree studies at The University of Winnipeg.

Course Offerings

The Collegiate is known as a strong STEM school with strong programming in Sciences, Mathematics, and Technology. We also offer a wide range of humanities, arts, and preparatory university courses.
