

Course Information for Transfer Credit Evaluation

In order for The University of Winnipeg to assess course work done at other institutions we require course outlines or syllabi that include detailed information such as reading lists, contact hours and course descriptions.

Course outlines or syllabi can usually be requested from the Registrar's Office or the relevant academic departments where you completed the course(s). If this cannot be obtained, you may use this form as a template to give to your previous institution to fill out. **Each course that you wish to have evaluated should have its own form.**

Deadline: All documentation must be submitted **no later than four months** after being admitted to The University of Winnipeg. Late requests for evaluation will not be considered.

All information must be submitted in English.

Please submit your completed form to:
