- 4.2. Students who are on University property or participating in University activities are expected to act in accordance with this Policy, act lawfully, and respect the rights, privileges, and safety of others.
- 4.3. Any individual who engages with this Policy can expect the University to:
  - a) treat them with fairness dignity, and respect;

  - c) provide a fair, transparent, and unbiased process; and
  - d) keep their information confidential except in rare instances when disclosure is required by law or for the working of this Policy.

### 5. Prohibited Conduct

- 5.1. All acts of Non-Academic Misconduct are prohibited under this Policy.

and may result in discipline under this Policy. This does not include Complaints that were made in good faith that were ultimately found to be without merit.

- 5.4. Students who knowingly aid or abet another person in the commission of any infraction of this Policy also commit Non-Academic Misconduct and will be subject to disciplinary action under this Policy.

## **6. Informal and Alternative Resolution**

- 6.1. The University recognizes that many incidents can be resolved informally without submitting a Complaint requesting investigation. When possible, resolution of incidents through informal means of conciliation, education, or mediation are to be encouraged.
- 6.2. The University recognizes that not all people and cultures resolve disputes or incidents by the same means. When possible and desired by both parties, the informal resolution process shall create reasonable opportunities for culturally relevant means of resolution, and to use other supports to guide such a process.

## **7. Interim Measures**

- 7.1. The University may impose interim measures, before an investigation is concluded, where immediate action is required to protect the UW Community or the Complainant or Respondent's health and safety, or to maintain the orderly functioning and discharge of the University's mandate.
- 7.2. Interim measures do not by nature of their imposition presuppose the outcome of any investigation.

## **8. Privacy**

- 8.1. In accordance with provincial legislation, the University's Privacy Policy sets strict requirements on the collection, use and sharing of personal information ("PI"). - 8.2. In the context of University policies, such requirements include:
- a) collecting the least amount of PI reasonably necessary to accomplish Policy objectives;
  - b) using and sharing the least amount of PI necessary to accomplish Policy objectives;
  - c) providing PI to only those who "need to know" the information to accomplish Policy objectives;
  - d) not using or sharing PI for other purposes without the consent of the affected individual(s), unless an exception to consent applies; and
